Important Additional information

Purpose of Fair

- The purpose of the Health Fair is to provide free testing and/or educational information concerning the health and well-being of the fair attendees. The fair is not to be used to recruit employees.

Setup

- Setup will be Friday, May 27th, 10 AM-5 PM. In addition, the Exhibit Hall will be open one hour before the fair opens on Saturday. Please have your booth ready to go by 8 am.

Promotional items/Giveaways

- The Health Fair provides free healthcare & wellness education, testing, and the availability of personal interaction with the greater healthcare community — all as an essential annual service to the region's people. Unfortunately, This role can be overshadowed by an atmosphere of attendees merely snatching/grabbing promotional items and not engaging in the event's purpose. The Health Fair Committee, therefore, asks that promotional items be used interactively. If possible, ask booth visitors to answer a health question, fill out a form, or take a mini-test, for example, before receiving the promotional item. And, in keeping with the Healthy Eating/Health Living theme of the fair, the Committee requests that if you provide snacks, please consider something other than candy, such as sugar-free treats.

Balloons

- Helium-filled balloons and filling tanks (air or helium) are not allowed. Any air-filled balloons must be removed/disposed of at the end of the fair. Balloons **MAY NOT** be given out to the public. ABC charges \$50 per balloon to retrieve them from the ceiling. Any fees incurred will be charged to the exhibitor.

Lost Child Procedure

- The First Aid booth has been designated for lost children. If you have a lost child at your booth, take them to the TDF's info center so they can announce their name. If the parents do not pick them up immediately, they will be taken to the First Aid booth to wait. If a volunteer is near your booth, ask them to take the child for you.

Food

- ABC has requested that no food or beverages be brought into the Exhibit Hall. The concession has been asked to provide more healthy food choices this year and increase their staff to reduce wait times.

Parking

- Exhibitors may use the rear loading docks to bring in their booth setups and equipment on Friday, September 1st, and on arriving Saturday morning for the fair.

B&T Rents

- There will be a \$45 delivery charge for items ordered on Friday during setup. Call B&T (884-6238) to avoid this charge with your order by Saturday, June 21, 2025.

Drawings

- We will **not** be able to announce door prize winners this year. If you have drawings, please ask for contact information so that you may contact the winners.
